Dear Enquirer,

Authorised Partner Confirmation

I hereby confirm that DigiKey is an official global partner for all products produced, distributed and marketed by CamdenBoss Ltd.

DigiKey is therefore able to offer, quote and process orders for these products, regardless of whether or not the parts are shown on the DigiKey website or in any DigiKey printed materials.

The only exceptions are customer-specific/custom designs, although these too can also be distributed by DigiKey with the prior agreement of the end customer.

This statement is valid until formally withdrawn.

Yours faithfully
